EDUCATION:

Rutgers, The State University of New Jersey

New Brunswick, NJ

B.A. Economics, Minor in Business Administration

Expected Grad: May 2027

- Relevant Coursework: Financial Accounting, Intermediate Microeconomic Analysis, Intermediate Macroeconomic Analysis, International Economics, Operations Management

PROJECTS:

Visa Inc. — Independent Equity Research & Stock Pitch

June 2026 – Present

- Conducting fundamental analysis of Visa's business model, competitive positioning, and financial statements to develop a Buy/Hold/Sell recommendation.
- Building a valuation framework using public financial statements, peer comparables, and market data to assess intrinsic value and inform an investment thesis.

PROFESSIONAL EXPERIENCE:

Project Destined

Remote

Real Estate Private Equity Intern

Mar 2026 - May 2026

- Evaluated previously closed commercial real estate transactions, applying institutional underwriting frameworks to evaluate NOI, DSCR, LTV, and cap rates as part of a structured deal analysis curriculum.
- Performed financial and investment analysis through case-based property exercises, building foundational skills in debt structuring and cash flow analysis.

CarLux Limo Worldwide Inc.

Floral Park, NY

Finance Intern

May 2025 - Sep 2025

- Developed structured pricing and cost models in Excel, improving quoting speed and accuracy for client proposals.
- Tracked trip-level costs (fuel, tolls, labor, and vehicle usage) to improve margin visibility and support pricing decisions.

LEADERSHIP EXPERIENCE:

Zeta Beta Tau - Rutgers Beta Delta

New Brunswick, NJ

Director of Finance

Aug 2025 - May 2026

- Managed a \$60K+ budget, allocated funds for events, operations, and member needs.
- Collected and tracked member dues from 100+ members, achieving a 95%+ on-time collection rate.
- Maintained detailed financial records and prepared monthly and annual reports for executive board review and national compliance.

Director of Risk Management

Jan 2025 - May 2025

- Designed and implemented event safety protocols for gatherings of up to 150 attendees, reducing liability and incident risk.
- Led 5+ training sessions for 30+ new members on risk awareness and compliance, decreasing policy violations and revising event safety.
- Collaborated with chapter leadership and university officials to implement safety protocols for 10+ events/semester, enhancing compliance and reducing risk exposure.

SKILLS:

- Financial Analysis | Valuation | Excel | Investment Research | Financial Reporting | Risk Management | SIE License (In Progress)
